Designs LAB

Who are we?

We are a leading third-party cosmetic manufacturer and private label partner, specializing in high-quality skincare and personal care products. With a strong focus on innovation, quality, and customization, we help brands transform their ideas into successful market-ready products.

From concept to final packaging, we provide complete end-to-end manufacturing solutions tailored to your brand's needs.

What We Do?

- ✓ Custom Product Development
- ✓ Private Label Manufacturing
- ✓ Contract Manufacturing
- ✓ Bulk Production
- ✓ Branding & Packaging Support

Designs LAB

Our Story

DesignsLab was established with a vision to empower brands in the beauty and skincare industry through high-quality manufacturing and private labeling solutions. Based in Noida, Uttar Pradesh, we specialize in helping startups, entrepreneurs, and established businesses create their own cosmetic product lines with ease and confidence.

As a third-party manufacturer and private labeler, DesignsLab offers end-to-end solutions – from product formulation and packaging to branding and bulk production. Our goal is to simplify the process of launching and scaling cosmetic brands by providing reliable, cost-effective, and customizable manufacturing services.

Our Vision

To empower brands by delivering innovative, high-performance skincare solutions that meet modern consumer demands.

Our Mission

To provide reliable, high-quality, and scalable manufacturing services that help our clients grow faster in the beauty industry.
